WELCOME TO BOLER MOUNTAIN

Welcome to Boler Mountain! A year has passed with great friends, great food and unmatched views from the new chalet. You may have enjoyed a corporate event, attended a wedding, listened to your children's stories about a great day at camp during the green season or had an exhilarating experience in the Treetop Adventure Park. Another excellent winter season is only weeks away!

The slopes were active for 99 days last winter, right through and into April.... even when your lawn might have been showing signs of green, we were still skiing and boarding at Boler.

Fifteen trails, 3 quad chairlifts and a carpet lift, a full rental facility and snow tubing, promise to make your visit memorable. The slopes are for everyone from beginners right through to expert skiers and boarders, with a very cool terrain park for the adventuresome. Certified snow school instructors and ski/board improvement programs will help you build confidence and improve while having fun.

Boler Mountain is Southwestern Ontario's most dynamic destination for outdoor adventure.

Make this local 'playground' part of your family's healthy and active lifestyle. Skiing, boarding, tubing, hiking, mountain biking, day camps, volleyball, birthday parties, tree topping and wedding opportunities, beautiful Boler Mountain provides the scenery and the activities for your next outdoor adventure!
