# WELCOME TO BOLER MOUNTAIN

Welcome to Boler Mountain in our 79th season! Our Boler team is always ready to welcome our guests year round and have many activities to satisfy both the 'winter season' and 'green season' including skiing, snowboarding and tubing in the winter as well as the treetop adventure park, mountain biking, beach volleyball and fitness on the mountain. Boler also hosts many special events including weddings, corporate events and private functions providing a unique location, serving great food and refreshments for an overall great experience. There is something for every

age and stage to enjoy at Boler Mountain!

We had one of our best winters in recent years, with an early boost from Mother Nature combined with the expertise of our amazing Boler snowmaking team, to deliver superb conditions throughout the season boasting 99 days of winter fun on the Mountain. All our winter programs took full advantage of these ideal conditions as we welcomed record numbers to Boler Mountain. With the recent rental shop expansion completed, we now boast a state of the art space for our guests to enjoy as they get ready for activities at Boler. The summer guests now get to experience our recent addition of a large rooftop patio with ideal views across the mountain, while enjoying delicious food and drink. We are always investing in new projects that better serve our guests and community, so stay tuned for more exciting projects unfolding over the next year. Boler Mountain is a not-for-profit organization governed by a volunteer Board of Directors. Thank you to all the volunteers and staff who help our Boler team deliver the best experiences for our guests.

It is my absolute pleasure to serve my second year as President of the Board, as my passion for Boler Mountain runs deep, having first been introduced to it as a child, and returning every year since. The Boler team are committed to ensuring a fun, enjoyable and safe experience for each and every guest with their expertise, dedication and commitment.
